October 17, 2022

*Prof. ISRAEL CARIÑO*
*Chair, Computer Science and Engineering Programs*
*Jose Rizal University*

Dear Prof. Cariño:

Warmest greetings!

The College of Computing and Information Sciences cordially invites your prestigious institution to participate in the **11th I.T. Skills Olympics** with a theme**, "ICT at the Convergence of Education and Technology in the HyFlex World", on November 11, 2022 from 7:00 AM to 7:00 PM at the University of Makati.** This event shall be participated by various universities and colleges and shall be implemented in hybrid mode. The programming categories such as Java Programming, .NET Programming using C#, Android Apps Development and Cybersecurity shall be done online. To spice up the competition, the categories Digital Electronics, PC Assembly / Disassembly, Networking, Web Design, Quiz Bee and E-sport shall be done on-site.

A **registration fee of Php 200.00** for each participant per event is required. The **deadline for online registration and payment is on November 4, 2022**. You can send the registration fee through:

        GCASH Number     : **0920-9723134**
        Name                : **JERNELL SANCHEZ**
        Note: Acknowledgement receipt shall be given upon request on the competition date.

Interested to join? Please register by clicking the link **https://tinyurl.com/itsolympics2022**
